TS3-H-4 – Gender relations and WASH poster: Fiji and Vanuatu

<p>Context</p>	<p>Many people living in the Pacific islands do not have access to safe WASH services. Gender-based violence is also highly prevalent, and sometimes occurs in relation to the lack of access to adequate services. This poster was developed as part of a series of resources on gender and WASH that were generated following learning from a research to study the impacts of WASH projects on changing gender relations in Fiji and Vanuatu.</p> <p>Refer to case study TS3-A-4 for more details on the research.</p>
<p>Implementing organisations</p>	<p>Institute for Sustainable Futures (ISF) and the International Women’s Development Agency (IWDA), in collaboration with World Vision Vanuatu and Live and Learn Environmental Education Fiji.</p>
<p>Description of good practices</p>	<p style="text-align: right;">ISF and IWDA</p>
